

Part-time Custodian/Maintenance Worker

We are adding another warehouse person to our staff!

This position is as a custodian for the warehouse and equipment.

This may be a good opportunity for a student seeking a part time job, or a great second job for someone who works nights! A fun, easy, low-key job in a fast-paced environment, that PAYS WELL.

We are open M-F 9 am - 5/6'ish pm

Physical abilities: Push, pull, move, break up, or stack pallets. Bend, lift (50 pounds), twist, turn, stack on shelves. Dust, sweep, mop, inspect, record. Dish room tasks - gather, clean, sanitize, stack.

We want someone who:

- Is energetic, positive & has a fun personality
- Has the ability to make people smile
- Must be quick and efficient
- Has the ability to multitask and work in a fast-paced environment
- Likes to contribute to the team
- Is a self-starter
- Is always looking for a better way to do things
- Can think on their feet

Ideal candidate knows and or has past experience in a restaurant / food sanitation environment.

- Must be able to clean and maintain equipment, dishes and work areas as required by regulatory standards.
- Must be able to move waste from warehouse to dumpsters.
- Must operate within standard operating procedures (SOPs) and job safety analysis.
- Must coordinate work with fellow workers and other team members.
- Must complete daily logs.
- Must communicate well with both superiors and other team members
- Must efficiently carry out all orders of the supervisors. They work in accordance with all safety regulations of the warehouse
- Must be able to work around organic spices, herbs, nuts, seeds, etc at all times. Work hours are from 15-20 hours per week, starting.

Structured weekly work tasks will be provided. All tasks expected to be completed by the end of the week, though flexible work hours are available.
